A familiar burden in every home. The burden of a "bad back." A lame, a weak or an aching back. Tells you of kidney ills. Doan's Kidney Pills will cure you. Here is Barre testimony to prove it.

Mrs. Frank Jones of 108 South Main street, Barre, Vt., says: "About five years ago I had such severe pains in my back that I could hardly get around the house. I tried almost everything I had heard of, but nothing seemed to help. I was almost impossible for me to sleep. One day when my back ached so severely that I had to go around in a stooped position I was advised to get Doan's Kidney Pills at E. A. Drown's drug store. I procured a supply and commenced taking the remedy. In a few days I knew I was being benefited, for my back became stronger and better. I continued taking Doan's Kidney Pills until the pains in my back disappeared. I had no more dizziness since then, when I have overworked or taken cold, there have been recurrences of the trouble in a mild form. I have then taken a few doses of Doan's Kidney Pills and they have never failed to relieve me.

HAMMOND IS PUSHING BOOM.

Writes Letter to Governor Guild Telling Where He Now Stands.

Gloicester, Mass., June 11.—John Hays Hammond, the well-known mining engineer, who has announced his candidacy for the Republican vice-presidential nomination, was registered as a voter in this city yesterday. Mr. Hammond was made a voter at City Hall by City Clerk John J. Somes. Mr. Hammond answered the formal questions, proved his ability to read a selection from the constitution of the United States, and then took the necessary oath.

Mr. Hammond said yesterday that he had sent a letter to Governor Curtis Guild, Jr., of Massachusetts, who is also a candidate for the vice-presidency, notifying him that if the Republican national committee or the delegates to the Chicago convention desire a New England man for vice-president he will withdraw and do everything in his power to secure Governor Guild's nomination. On the other hand, Mr. Hammond says Governor Guild if the governor will support him in the event that the party leaders decide that the vice-presidential candidate should be from some section of the country other than New England.

Mr. Hammond holds that he represents the West as well as the East. Governor Guild is expected back in Boston to-day, and it is understood here that upon his arrival at Boston from Washington he will make public the correspondence that has passed between Mr. Hammond and himself.

"INSURGENTS" WIN.
Have Apparently Beaten "Stalwart Republicans" in South Dakota.

Sioux Falls, S. D., June 11.—Returns from Tuesday's primaries throughout South Dakota are yet far from complete, but enough have been received to indicate that the progressive or insurgent Republicans, headed by Governor Crawford, have swept the state by at least 3,000 or 4,000 majority, and defeated the stalwart faction headed by Senator Kittredge.

That Governor Crawford has been nominated as a candidate to succeed United States Senator Kittredge appears certain.

St. Louis, Mo., June 11.—While Buffalo Bill was giving an exhibition of marksmanship at his show Tuesday night with a new gun a cartridge exploded and a part of the right side of the scout's famous mustache was burned away. As a result of the accident his barber was compelled to trim off the left side to correspond with the one shortened by the blaze. While the flowing ends no longer flow as of yore, the valuable hirsute attachment has not been entirely lost, and its owner is still recognizable.
